

Guide for SMS - Campaign Evaluation Questionnaire Wave 7 (CEQ7)

Install of RTI files: 2023-10-05_CEQWave7.zip

Project Overview

Data pulled on: 2024-12-27 01:10:18
Total number of observations: 763

All fields are counted among field types below even if they contain no data and/or are omitted from this report

radio fields: 41
text fields: 13
descriptive fields: 7
dropdown fields: 5
checkbox fields: 2

Identifier fields: 2
hcs_ceqpt_name1, hcs_ceqpt_email1

Omitted fields (all blank): 4
hcs_ceqpt27_ky, hcs_ceqpt27_ma, hcs_ceqpt27_ny, hcs_ceqpt31pt_oth

Each field in this annotated codebook gets an entry structured like this:

Field label	Field name
Field type: (radio, text, etc)	
Observations with this field left blank: #	
Number of unique values: ##	
Branching logic: equation	

Choice value	Label	Frequency
value1	Choice 1 label	#
value2	Choice 2 label	#
value3	Choice 3 label	#

1. Instrument: campaign_evaluation_questionnaire_wave_7

Online Informed Consent
The HEALing Communities Study Campaign Evaluation Sponsor
/ Study Title: The National Institute on Drug Abuse / "The HEALing Communities Study (HCS)"
Principal Investigator: Bridget Freisthler, Ph.D.
Telephone: (614) 293-4041(614) 293-8000 (24 Hours)
Address: The Ohio State University 530 W Spring Street, Suite 275 Columbus, OH 43215

KEY INFORMATION We are asking you to choose whether or not to volunteer for the HEALing Communities Study funded by the National Institute on Drug Abuse and conducted by four academic institutions: Boston Medical Center, Columbia University, University of Kentucky, and The Ohio State University. This study uses community engagement as a means to increase the use of evidence-based approaches with the goal of reducing opioid-related mortality by 40% over the course of the research study. We are asking you to participate because you are a resident of a community involved in the HEALing Communities Study and we would like you to share your opinions on the effectiveness of the communication campaign promoting the study. The details below may help you decide whether or not to participate. If you have questions, the contact information for the study investigator in charge of the study is provided above.

PARTICIPATION Your participation in this study involves completing a survey. About 20,000 residents from the 67 communities involved in the HEALing Communities Study will be invited to participate in this survey. The survey will take approximately 20 minutes to complete. The survey will ask about your attitudes, thoughts, and opinions regarding the advertisements being

hcs_ceqpt_icf

placed in your community that promote the study and activities that may take place in your community. If at any time you are uncomfortable with any question in the survey, you can choose not to answer. You may only participate in this survey once. Your participation is voluntary. You may refuse to participate at any time. This study is for research purposes only. Your only alternative is to not participate.

COMPENSATION There is no cost to you for participating, and you will not be compensated for completing the survey. However, you will have the opportunity for one entry into a raffle for a \$100 gift card after completing the survey. One member from each of the 67 communities will win a \$100 gift card for each survey completed. Participation in the raffle is not required.

BENEFITS & RISKS You will receive no direct benefits from participating in this study. However, your responses may help us learn more about opioid overdose deaths in your community and potential reduction strategies. There are no physical risks to participating in the study. You will not be asked to provide personal information other than basic demographics, and we will protect your confidentiality. There is a risk that someone could get access to the stored information. Despite the security measures and safeguards we will use, including not storing your name with your information, we cannot guarantee that your identity will never become known. There may be risks that at this time are unknown. Having information collected from many people helps researchers identify trends and discover better ways to work with communities to reduce opioid overdoses. After we remove all identifiers, we would like to securely store, use, and share these data for future research without additional informed consent. There may be risks which are unforeseeable.

CAN YOU CHOOSE TO WITHDRAW FROM THE STUDY EARLY? If you decide to take part in the study, you still have the right to decide at any time that you no longer want to continue. This study is voluntary. If you choose to leave the study early, data collected until that point will remain in the study database and may not be removed. The study investigator or sponsor can stop your participation at any time without your consent for the following reasons: If you fail to follow directions for participating in the study; If it is discovered that you do not meet the study requirements; If the study is canceled; or For administrative reasons. Any new important information discovered that may influence your willingness to continue participation in the study will be given to you.

CONFIDENTIALITY We will not share your name and contact information with anyone outside of the research team. Your data will be assigned a unique, coded participant ID. Survey responses will be securely transmitted and stored at the HCS Data Coordinating Center at RTI

International in North Carolina on a secure server and will contain personally identifiable information such as your name and email address. Your data will be combined with that of other participants and will only be reported in the aggregate. The study investigator, the sponsor or persons working on behalf of the sponsor, and under certain circumstances, the Institutional Review Board (IRB) will be able to inspect and copy confidential study-related records which identify you by name. THIS STUDY IS COVERED BY A CERTIFICATE OF CONFIDENTIALITY from the National Institutes of Health. The study investigators with this Certificate may not disclose or use information or documents that may identify you in any federal, state, or local civil, criminal, administrative, legislative, or other action, suit, or proceeding, or be used as evidence, for example, if there is a court subpoena, unless you have consented for this use. Information or documents protected by this Certificate cannot be disclosed to anyone else who is not connected with the study except, if there is a federal, state, or local law that requires disclosure (such as to report child abuse or neglect, harm to self or others, or communicable diseases), but not for federal, state, or local civil, criminal, administrative, legislative, or other proceedings; if you have consented to the disclosure; or if it is used for other scientific research, as allowed by federal regulations protecting research participants. The Certificate cannot be used to refuse a request for information from personnel of the United States federal or state government agency sponsoring the project that is needed for auditing or program evaluation by National Institute on Drug Abuse and the Substance Abuse and Mental Health Services Administration, which are funding this project. You should understand that a Certificate of Confidentiality does not prevent you from voluntarily releasing information about yourself or your involvement in this study.

WHOM TO CONTACT ABOUT THIS STUDY During the study, if you have questions, concerns, or complaints about the study, please contact the Investigator at the telephone number listed on the first page of this consent document. An institutional review board (IRB) is an independent committee established to help protect the rights of research participants. If you have any questions about your rights as a research participant, and/or concerns or complaints regarding this research study, contact: By mail: Study Participant Adviser
Advarra IRB 6940 Columbia Gateway Drive,
Suite 110 Columbia, MD 21046 or call toll
free: 877-992-4724 or by email:
adviser@advarra.com Please reference the
following number when contacting the Study
Participant Adviser: Pro00038088. A description of
this clinical trial will be available on

<http://www.ClinicalTrials.gov>, as required by U.S. Law. This Web site will not include information that can identify you. At most, the Web site will include a summary of the results. You can search this Web site at any time. CONSENTI have read and understand this informed consent information. I have had an opportunity to ask questions if needed, and all of my questions have been answered to my satisfaction. I voluntarily agree to participate in this study until I decide otherwise. I do not give up any of my legal rights by agreeing to this consent information. Once you have read this consent form, if you choose to participate and you are 18 years of age or older, click on I agree to begin the survey. You may print this page for your records. (descriptive)

Field type: descriptive
Observations with this value left blank: 0

(radio) **hcs_ceqpt_icfans**

Required
Field type: radio
Observations with this value left blank: 146
Number of unique values: 2

Choice value	Label	Frequency
1	I agree to participate	596
2	I do not agree to participate	21

The following questions are about the HEALing Communities Study (HCS) and also about opioids [a group of drugs that includes heroin, fentanyl, and prescription pain relievers, such as oxycodone (OxyContin®), hydrocodone (Vicodin®), codeine, and morphine]. (descriptive in matrix hcs_ceqpt_instr)

hcs_ceqpt_instr

Field type: descriptive
Observations with this value left blank: 0
Number of unique values: 0
Branching logic: [hcs_ceqpt_icfans] = '1'

Have you heard of the HEALing (Helping to End Addiction Long-term) Communities Study (HCS)? **hcs_ceqpt1**
(radio)

Required
 Field type: radio
 Observations with this value left blank: 187
 Number of unique values: 3
 Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Yes	98
0	No	470
7000000	Prefer Not to Answer	8

Please Specify: (text) hcs9_ceqpt2_oth

Required
 Field type: text
 Observations with this value left blank: 757
 Number of unique values: 6
 Branching logic: [hcs_ceqpt_icfans] = '1' and [hcs9_ceqpt2(4000000)] = '1'

Do you know where to find treatment for opioid addiction/opioid use disorder? (radio) hcs_ceqpt3

Required
 Field type: radio
 Observations with this value left blank: 187
 Number of unique values: 5
 Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Definitely	205
2	Probably	193
3	Probably not	99
4	Definitely not	68
7000000	Prefer Not to Answer	11

Do you know where to find a healthcare provider of medications for the treatment of opioid addiction/opioid use disorder, such as methadone, buprenorphine (Suboxone®), or naltrexone (Vivitrol®)? (radio) hcs_ceqpt4

Required
 Field type: radio
 Observations with this value left blank: 187

Number of unique values: 5
Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Definitely	221
2	Probably	162
3	Probably not	106
4	Definitely not	79
7000000	Prefer Not to Answer	8

Do you know where to get naloxone (more commonly known as Narcan®), a medication that reverses an opioid overdose? (radio) hcs_ceqpt5

Required
Field type: radio
Observations with this value left blank: 209
Number of unique values: 5
Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Definitely	255
2	Probably	128
3	Probably not	81
4	Definitely not	84
7000000	Prefer Not to Answer	6

Do you know where to find recovery support services for a person with an opioid addiction/opioid use disorder? (radio) hcs_ceqpt6

Required
Field type: radio
Observations with this value left blank: 209
Number of unique values: 5
Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Definitely	217
2	Probably	176
3	Probably not	88
4	Definitely not	67

Choice value	Label	Frequency
7000000	Prefer Not to Answer	6

How much do you agree or disagree with the following statements? People with opioid addiction/opioid use disorder can easily get treatment in my community. (radio)

hcs_ceqpt7

Required
 Field type: radio
 Observations with this value left blank: 209
 Number of unique values: 6
 Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Strongly agree	105
2	Agree	168
3	Neither agree nor disagree	144
4	Disagree	107
5	Strongly disagree	23
7000000	Prefer Not to Answer	7

If I had an opioid addiction/opioid use disorder, I would not tell anyone. (radio)

hcs_ceqpt8

Required
 Field type: radio
 Observations with this value left blank: 209
 Number of unique values: 6
 Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Strongly agree	59
2	Agree	131
3	Neither agree nor disagree	125
4	Disagree	137
5	Strongly disagree	88
7000000	Prefer Not to Answer	14

If I found out that a close friend had an opioid

hcs_ceqpt9

addiction/opioid use disorder, I would avoid him or her. (radio)

Required
Field type: radio
Observations with this value left blank: 221
Number of unique values: 6
Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Strongly agree	26
2	Agree	29
3	Neither agree nor disagree	61
4	Disagree	179
5	Strongly disagree	240
7000000	Prefer Not to Answer	7

I would feel uncomfortable seeing my doctor if I found out he or she treated patients with an opioid addiction/opioid use disorder. (radio) **hcs_ceqpt10**

Required
Field type: radio
Observations with this value left blank: 220
Number of unique values: 6
Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Strongly agree	24
2	Agree	19
3	Neither agree nor disagree	35
4	Disagree	119
5	Strongly disagree	338
7000000	Prefer Not to Answer	8

A doctor should be allowed to refuse or stop seeing patients if they have an opioid addiction/opioid use disorder. (radio) **hcs_ceqpt11**

Required
Field type: radio
Observations with this value left blank: 221
Number of unique values: 6
Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Strongly agree	33
2	Agree	37
3	Neither agree nor disagree	95
4	Disagree	144
5	Strongly disagree	220
7000000	Prefer Not to Answer	13

Once you have an opioid addiction/opioid use disorder, there's not much you can do about it. (radio)

hcs_ceqpt12

Required
 Field type: radio
 Observations with this value left blank: 221
 Number of unique values: 6
 Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Strongly agree	12
2	Agree	10
3	Neither agree nor disagree	35
4	Disagree	153
5	Strongly disagree	321
7000000	Prefer Not to Answer	11

I would be willing to carry naloxone (more commonly known as Narcan®), the medication that can reverse an opioid overdose, when out in public. (radio)

hcs_ceqpt13

Required
 Field type: radio
 Observations with this value left blank: 221
 Number of unique values: 6
 Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Strongly agree	240
2	Agree	158
3	Neither agree nor disagree	68

Choice value	Label	Frequency
4	Disagree	35
5	Strongly disagree	25
7000000	Prefer Not to Answer	16

The following questions ask about your perceptions of how most people in your community view people who have been treated for an addiction to opioids. To what extent do you agree or disagree with the following statements? (descriptive in matrix hcs_ceqpt_instr) hcs_ceqpt_instr_2

Field type: descriptive
 Observations with this value left blank: 0
 Number of unique values: 0
 Branching logic: [hcs_ceqpt_icfans] = '1'

Most people would willingly accept someone who has been treated for substance use as a close friend. (radio) hcs_ceqpt14a

Required
 Field type: radio
 Observations with this value left blank: 233
 Number of unique values: 8
 Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Strongly Disagree	43
2	Disagree	59
3	Somewhat Disagree	132
4	Neither Agree nor Disagree	106
5	Somewhat Agree	86
6	Agree	63
7	Strongly Agree	32
7000000	Prefer Not to Answer	9

Most people in my community believe that someone who has been treated for substance use is just as trustworthy as the average citizen. (radio) hcs_ceqpt14b

Required

Field type: radio
 Observations with this value left blank: 233
 Number of unique values: 8
 Branching logic: [hcs_ceqpt_icfans] = '1'

Choice value	Label	Frequency
1	Strongly Disagree	75
2	Disagree	130
3	Somewhat Disagree	116
4	Neither Agree nor Disagree	99
5	Somewhat Agree	58
6	Agree	27
7	Strongly Agree	17
7000000	Prefer Not to Answer	8

Most people in my community would accept someone who has been treated for substance use as a teacher of young children in a public school. (radio) **hcs_ceqpt14c**

Required
 Field type: radio
 Observations with this value left blank: 233
 Number of unique values: 8
 Branching logic: [hcs_ceqpt_icfans] = '1'
